My artwork is what happens when you run with scissors

It is only created with paper, glue, and patience

cut paper illustrations

This is a compilation of works from my one-a-(week)day art series completed during 2007. I created a small postcard-sized cut paper artwork every weekday. Many works were representations of my daily life while others simply made me laugh. I used this project to enhance my technical abilities, improve my discipline, and to introduce my artwork to a broader audience.
